Glyfada, 29 August 2007

To all recipients

Due to the last National blight that has stroked our Country; the Hellenic Golf Federation has decided to cancel the event of the 25th International Championship 2007. The corresponding budget that was supposed to be spent for this Tournament will be donated to the victims of this catastrophe as a minimum supporting action from our side.

We ask for your understanding, we apologize for any inconvenience and we look forward seeing you next year.

Sincerely,

Yours faithfully,

PETER DOUKAS
President
Hellenic Golf Federation
